

Introducing:

Advanced digital visitor parking system that easily replaces physical parking passes

Visitor Parking Passes Wasting Your Time?

Manage parking from any Smartphone.

- ❑ Stop running up-and-down to place and retrieve parking passes.
- ❑ Send parking passes to visitors with a text message.
- ❑ Parking expiry notifications are sent to residents or visitors by text message.
- ❑ Be free of lost parking passes.
- ❑ Easily follow your building parking rules including when to park again.
