Notes:

- 1) PayByPhone charges are collected and remitted through a separate company called POI.
- 2) There is a minimum charge of \$50 per month for PayByPhone + ParkPass per parking lot.
- 3) POI patrolling services are only offered in the city of Vancouver.
- 4) Mixed commercial/residential is supported by the ParkPass product. Each commercial store is assigned its own suite name.
- 5) Customers can log into the ParkPass system and get their own ParkPass by entering the building, suite, and PIN.
- 6) Store owners can also text message a ParkPass to their customers, and all customers have to do is Click to Park.

ParkPass is FREE to authorized visitors for time-limited parking.

ParkPass requires PayByPhone payments for other visitor parking activities, including:

- Additional guests
- Overnight guests
- Extended stay guests
- Residents parking in the visitor parking
- Retail parking
- Limited Public parking
